### Workshop & Speaker Series

Workshops and speakers not only educate Simple Livers about important topics, they provide a friendly forum for discussion among attendees.

### Garden Start-Up Program

By request, Simple Living Institute, Inc. will help your nonprofit organization, school, or community group start a garden.

### Annual Benefit Concert

Each year, Simple Living Institute Inc. organizes the Annual Benefit Concert to act as our major fundraising event featuring live music, art, and community.

# Membership

Simple Living Institute Inc. supports the majority of projects and organizational costs through memberships and donations. This allows the organization to focus more on programs and less on fundraising.
